Lincoln Mall campus of Lincoln Technical Institute has installed 16 security cameras across the campus. Campus buildings are maintained by their respective building managers and are unlocked and locked daily by those managers.

The Education Department at Lincoln Mall campus of Lincoln Technical Institute is responsible for documenting and investigating incidents of all types, enforcing parking regulations, and responding to a variety of requests for assistance. Security lighting around campus provides consistent illumination throughout the campus area.

The following guidelines and procedures are set forth to help ensure a safer campus:

- Report lost or stolen ID/access cards to the Education Department or a CSA.
- If you do not recognize a person, or suspect suspicious behavior, contact the Director of Education, or a CSA.
- In the event of an emergency, call 911.

A STATEMENT OF CURRENT POLICIES CONCERNING CAMPUS LAW ENFORCEMENT, INCLUDING THE ENFORCEMENT AUTHORITY OF INSTITUTIONAL SECURITY PERSONNEL AND POLICIES THAT ENCOURAGE PROMPT REPORTING OF ALL CAMPUS CRIME TO THE CAMPUS POLICE AND LOCAL POLICE -- 34 CFR 668.46(b)(4)

Lincoln Mall campus of Lincoln Technical Institute is essentially a non-residential school and does not have a campus police force. Administrative personnel promote a positive working relationship with the local Police Department. Lincoln Mall campus of Lincoln Technical Institute also cooperates with the local Police Department in the investigation of any criminal offense. We encourage all students, faculty, and staff to report accurately and immediately all emergency incidents to these authorities, or to a CSA when the victim of a crime is unable to make such a report.

A STATEMENT OF THE DESCRIPTION OF TYPE AND FREQUENCY OF PROGRAMS DESIGNED TO INFORM STUDENTS AND EMPLOYEES ABOUT PROCEDURES AND PRACTICES TO ENCOURAGE RESPONSIBILITY FOR PERSONAL AND COMMUNITY SAFETY -- 34 CFR 668.46(b)(5)

The Education Department disseminates information about campus safety policies and procedures through class announcements and via the student portal.

Students are encouraged to be responsible for their own safety as well as the safety of others.

- Be alert and aware of your surroundings.
- Walk with confidence and purpose, and limit distractions, such as talking on your cell phone or texting.
- Avoid isolated areas. It is more difficult to get help if no one is around.

Consent
Consent is based on choice. Consent is an intelligent, voluntary, informed decision by someone capable of making such a decision. In order for there to be consent in a sexual situation, there must be an affirmative statement or action by each participant. Consent does not exist if coercion, threats, intimidation, or physical force are used. If someone is mentally or physically incapacitated or impaired such that they are temporarily or permanently incapable of appraising the sexual situation or controlling their own conduct, there can be no consent in the situation. This includes such impairment or incapacitation resulting from the consumption of alcohol or other drugs. Whether a person has used a position of authority or influence to take advantage of another person will be a consideration in determining whether consent exists in a sexual situation.
A person is legally incapable of giving consent if he or she is:

- Under 18 years of age;
- Incapacitated or impaired as describe above by alcohol or other drugs;
- Developmentally disabled; or
- Temporarily or permanently mentally or physically unable to do so

Steps to take if you have been Sexually Assaulted

Get to a safe place
Your immediate safety is your first priority. If you are in danger, you should call 911. Stay on the phone as long as you can until help arrives.
Remember that the police will help you whether or not you choose to prosecute the assailant. Call a trusted friend or family member for support and/or the victim-assistance services offered by community or law enforcement agencies.

Get medical attention
A medical examination is to check for physical injury, the presence of sexually transmitted diseases, or pregnancy as a result of the assault. A medical examination will also aid in the police investigation and legal proceedings.

If the assault was recent, don't bathe or douche
Bathing or douching might be the first thing you want to do, but you may be washing away evidence needed to prosecute the assailant. Wait until you have a medical examination. Also, do not change or alter the crime scene.

Save your clothing
Changing your clothes is alright but save the clothing you were wearing at the time of the assault. Place each item of clothing in a separate paper bag and give them to the police. Your clothing could be used as evidence for prosecution.

Relationship Abuse and Domestic Violence

Relationship abuse consists of a pattern of abusive or coercive behaviors used to exert power and control over a current or former intimate partner. Abuse can be emotional, psychological, financial, sexual, or physical, and can include threats, isolation and intimidation.

Domestic violence is a felony or misdemeanor crime of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse, by a

already occurred. Regardless of the circumstances, we all have a choice whether we will be passive bystanders, standing by and taking insufficient or no action, or whether we will be active bystanders who are engaged and take the necessary action to prevent sexual violence. An active bystander has the power to prevent sexual violence from occurring and to assist survivors of assault in getting the help they need. A passive bystander is someone who stands by and fails to take the necessary safe action to prevent sexual assault and gender-based violence and misconduct. An active bystander is someone who commits to making a choice to become involved. The first and foremost thing to remember as an active bystander is that you don't do anything that puts your safety at risk! Many, if not most of the actions you will take as an active bystander will be calling on others, such as Campus Safety or the police, for help. Always remember that if you or someone else is in immediate danger, call 911. The goal is to promote a culture of accountability that helps prevent sexual assault and misconduct without causing additional threat or harm to others.
